

# Bradwell Creek

**Notes**

Depths in metres reduced to CD based upon tidal data provided by the British Oceanographic Data Centre. Positions refer to the WGS 84 datum.

*Soundings taken 01.09.10, 21.09.2010, 7.10.10 and 19.07.2011. Buoy and Withy positions as at 28.07.2011*

**Caution**

Soundings taken on leisure equipment. Whilst every care has been taken in the preparation of this data, it cannot be guaranteed that these depths will remain.
