**London Array Wind Farm**

Standard 50m radius  
exclusion zone around each  
turbine or sub-station  
platform.

**Kentish  
Knock**

Kentish Knock  
Q(3)10s

**Navigation Notes**

1. Anchoring and fishing within the area of the Wind Farm is prohibited;
2. Sub-stations and turbine are connected by marine cables which may form a hazard, connections to turbine bases extend underwater;
3. Expect tidal scour around foundations to deposit material between turbines thereby reducing depths significantly.
